

Laburnum Netball Club has 24 teams, with player ages ranging from 8 years old to their mid twenties. We are the largest club in the Whitehorse Saturday Competition and have grown significantly since our humble beginnings with one team in 2000. This is a great achievement for a club that is run entirely by volunteers. It takes the work of 10 committee members, 24 coaches, 24 team managers along with the support of the Whitehorse Netball Association Committee, parents and our umpires to run a club for 215 players. We would like to thank all the people who have helped build this club over the years.

Coaches Corner

A large number of our coaches attended the 8hour on line and one day practical Foundation Course last year. The club would like to thank them for their time. We are aiming to further player development by providing experienced coaches to mentor our coaches and work with our teams.

Many of our coaches have been committed to club for many years and have a made a large contribution to the success of LNC.
