

The Newsletter Editor would like to apologise for the late publishing of this newsletter. Unfortunately life outside of netball has been hectic. As for LNC We now have over 250 Members in 25 teams, Go Laburnum!

Even in the rain last year's end of year BBQ was a great success. Thanks to all those who helped and participated on the night. Hope to see you all again this year.

Umpires Corner

Our umpires have done a fantastic job in learning and applying all the new rules this season. There have been big changes, do you know them all? Some including a lot less whistle blowing, being able to play on after a sanction, only 1 foot wholly within the centre circle at the centre pass and injury time is only 30seconds and the player concerned must leave the court. Check out Netball Australia's website for a copy of the netball rules !!
