

Laburnum Netball Club Update

COVID-19 & Returning to Play

At this stage we will not be returning to formal training (although we hope to be able to bring you happier news on this very soon)

We do not yet have clearance from Laburnum Primary School to resume using their facilities. It is important that we honour our Facilities Hire Agreement and do not attempt to hold training sessions until we are cleared to.

When we can, we will follow the guidelines as outlined by Netball Victoria, with a return to training in a safe and cautious manner. <https://vic.netball.com.au/covid-19-information>

As a Committee we are working on a return to training but there is some planning required and some new documentation and resources to consider.

WNA have no firm date for a return to competition and Sportlink remains closed, we expect more on this soon too.

Please keep checking your emails and the Club's Facebook and Instagram for updates.

Website Co-Ordinator

Vacant

Thank-You Mike Wiles

Laburnum Netball Club would like to thank Mike for his years of exemplary service as an umpire.

Mike holds a B Grade umpire qualification and has been a dedicated umpire, for our club for many years.

He has been a section one umpire and many of you may have had the benefit of his umpiring expertise during finals.

Thanks Mike for being a part of our club, we wish you all the best.

Enormous thanks go to Nicole Farley for her contribution over many years. Nicole, we appreciate all your efforts and we will miss your wisdom! We would also like to thank Dilukshi Karu (Uniform Co-Ordinator) and Mark and Lisa Lang (Treasurers) for all their hard work and dedication to their roles. Without these Volunteers our club cannot function.

As you can see from the above we have a number of vacancies that require urgent filling - particularly the role of Treasurer. We do need someone appropriately qualified to do this job so if you or another member of your household might be able to take on the role I would love to hear from you. The finances are in good shape, there is no immediate need for fundraising and the systems are all in place, it is a good time to join if you can spare a few hours a month. Please contact Sarah Fulton sarah.j.fulton@gmail.com or 0408 310 607.

We encourage you to consider whether you are able to fill any of the other above positions. The future of the Club is your hands and we need contributions from our members.
