

REGISTRATIONS & FEES

Registration is required by every player for each new season.

This consists of completing the online My Netball Registration and payment of fees.

Any player who has not paid fees will not be registered with a LNC team at WNA.

- Season Team Fees are set by the LNC Committee prior to the beginning of each season.
- Annual NV (VNA) fees are as prescribed by Netball Victoria.
- All fees are non-refundable
 - unless a player is forced to withdraw due to extenuating circumstances and this will be reviewed by the executive committee
- Payment plans can be established if necessary upon approval of the Treasurer
- NV (VNA) fees will be paid by LNC for all Umpires (playing & non playing and all Coaches (playing & non playing)

Should the club receive expressions of interest after the completion of registration with WNA, the parties details will be recorded on a waiting list until the executive committee finds an appropriate team for placement. Coaches and team managers can contact the committee if they require additional players once the season commences.

There is an expectation that junior players are to attend training on a weekly basis as set by the coach.
